FOR IMMEDIATE RELEASE

LOCAL WIRELESS COMPANY TEAMS UP WITH RTA

INDEPENDENCE, Ohio (March 2008) – Independence Communications Inc., a wireless systems integrator located in Cleveland, recently installed bi-directional amplifiers to improve radio system coverage at four **Greater Cleveland Regional Transit Authority (RTA)** locations.

“We recently had the opportunity to work with the RTA. We installed bi-directional amplifiers for the Windermere, Hayden, West Park and Superior Tunnels' locations,” said Don DiGeronimo, president of Independence Communications. “The radio systems we’ve put in place have improved radio coverage and communications throughout all four locations.”

The RTA serves as Cleveland’s top transportation service. RTA’s ridership has had over 57.3 million passenger trips. Independence Communications has added a level of consistent communication at their four regional locations.
